YELLOW GOOSE RD, EAST HEMPFIELD TWP

ZONING

Enterprise Zone (E). Areas of the community that are prime for business enterprise due to vehicle and/or rail access, utilities and infrastructure. The uses within this zone, due to their size, scale, potential environmental impacts, truck traffic, rail access, and type of activity, are appropriately located at a desirable distance from neighborhoods, schools, parks and recreation areas. These business areas provide essential benefits to the Township including employment and economic/financial stability that help to create a more sustainable community.

Greenway Overlay Zone (GO). The establishment of this zone is intended to mandate the preservation of existing greenways through land conservation. The objective of the zone is to promote the conservation, recreation and natural resource protection goals and objectives of the East Hempfield Township Comprehensive Plan Update, as amended; incrementally preserve existing greenways; encourage the establishment of greenway and recreation areas as housing and business development occurs; provide for reasonably safe and convenient pedestrian, bicycle and vehicle circulation, with an emphasis on connecting residential and recreational areas; and preserve rural characteristics through the permanent preservation of meaningful open space and sensitive natural resources.

The information contained herein has been given to us by the owner of the property or other sources we deem reliable, we have no reason to doubt its accuracy, but we do not guarantee it. All information should be verified prior to purchase or lease. All financial projections are estimates only. Results not guaranteed.
