Zoning - Central Business Core (CB1) City of Lancaster

Lancaster, Pennsylvania

Central Business Core District (CB1).

The CB1 District is the commercial and cultural core of the Central Business District. In order to encourage intense, positive pedestrian activity and consumer transactions, certain uses that are not consumer- or visitor-oriented are prohibited on the ground, or street-level, floors of buildings. A wide range of commercial, retail, cultural, entertainment, and professional uses are permitted by right and by special exception. In order to promote high-density development, this zoning district permits 100% building and lot coverage and waives all off-street parking requirements.
