Buyer Testimonial

"Tessa is the absolute best! She was our agent in finding our home in Corona (a city we are new to and have no real knowledge about), and she found us the perfect home and we literally closed escrow in less than 30 days. Tessa grew up and currently lives and works in the area, and is an area specialist. Tessa is hardworking, prompt with replies, professional, kind, intuitive, and overall just on top of all the ins and outs. Tessa is well-versed on all the logistics and technical aspects, and works hard to get you what you deserve and more. Highly, highly recommend Tessa for your real estate needs. She was also able to refer us to a local electrician, pest control, landscape specialist, etc and continues to make sure we are getting set up well. 5-stars in all areas, highly recommend!"
