

Dear Future Homeowner,

We hope you can feel the same comfort and excitement that we felt when we first found this home. From the moment we moved in, we knew we had found a special place to call home.

One of the hardest parts about selling this home is that we truly love it. Nothing is prompting us to leave the home or the neighborhood. We love our house, our neighbors, the community, and the location. We are simply relocating to pursue an exciting work opportunity, and while we look forward to what comes next, saying goodbye to this home is bittersweet.

We have truly enjoyed making this house our own and taking advantage of everything the Raleigh area offers. We have loved spending time in the surrounding parks, exploring the area, and discovering new restaurants and local spots throughout Downtown Raleigh. Having so many great places to eat, explore, and enjoy just a short drive away has been one of our favorite parts of living here.

We have also loved the home itself and the flexibility it provides. Whether it was relaxing at home, entertaining friends and family, or simply enjoying the surrounding beauty, this house has given us so many great memories. We hope the next owners will enjoy it just as much as we have.

Although we are sad to leave, we are excited to pass this home along to someone who will appreciate everything it has to offer. We hope you will love this home, this neighborhood, and this area as much as we have.

Welcome home!
