MOVING *Tips*

YOUR NEW HOME AWAITS UNDER THE SUN

Moving is an exciting journey, but it's also considered one of life's most stressful events. Whether you're transitioning across town or across the country, proper planning and preparation can make your move seamless. Partnering with local Realtors® can provide invaluable support throughout the process.

To make your move less stressful, consider creating a six-week countdown calendar. This organized timeline will help you stay on track as moving day approaches.

FINAL COUNTDOWN TO MOVING DAY: TIMELINE AND TIPS

SIX WEEKS BEFORE THE MOVE

Declutter and Decide:

Review your belongings and decide what to keep, sell, donate, or discard.

Get Moving Estimates:

Reach out to moving companies for quotes and discuss how they can ensure a smooth move.

Packing Services:

Ask for an estimate on professional packing services to determine if it's worth the time and effort saved.

Plan a Garage Sale:

If you have items worth selling, organize a garage sale to lighten your load.

Separate Belongings:

If using a mover for packing, sort items to keep from those you'll sell, donate, or discard.

Research Your New Area:

Contact your realtor, local chamber of commerce, or visitor's bureau for information on schools, parks, and other resources in your new neighborhood.

Organize Documents:

Create a central folder for moving-related paperwork and receipts, which may be tax-deductible.

Plan Furniture Layout:

Draft a floor plan for your new home to decide furniture placement. Include labeled diagrams in your moving folder.

FIVE WEEKS BEFORE THE MOVE

Hire a Mover:

Select a mover and finalize the moving dates and costs.

Gather Packing Supplies:

If packing yourself, collect sturdy moving boxes, including specialty boxes for items like clothing, lamps, and mirrors.

FOUR WEEKS BEFORE THE MOVE

Update Address:

Notify the post office, magazines, credit card companies, and others of your new address. Use the USPS online change of address service for convenience.

Schedule Utilities:

Arrange for utilities to start at your new home the day before you arrive and disconnect at your current home the day after you move.

Prepare Large Appliances:

Coordinate with your mover to schedule disconnection and servicing of appliances before the move.

Start Packing:

Begin packing items you rarely use. Pack heavy items in small boxes and lighter items in larger ones for easier handling.

Set Garage Sale Date:

Schedule your garage sale at least a week before the move and advertise it locally to maximize attendance.

THREE WEEKS BEFORE THE MOVE

Inventory Check:

Review your household items and decide what to keep, discard, or store.

Pack with Purpose:

Increase your packing pace to stay on track.

Secure Important Documents:

Gather essentials like driver's licenses, passports, birth certificates, and Social Security cards.

Medical Records:

Contact doctors, dentists, and veterinarians to obtain records and update your contact details.

Manage Food Supplies:

Plan meals to use up perishables and avoid last-minute refrigerator cleaning.

Arrange Cleaning:

Schedule professional cleaning services for your current home.

School Transfers:

Contact your children's schools to forward records to their new schools.

Bank Updates:

Update account information and set up a new safe deposit box if necessary.

TWO WEEKS BEFORE THE MOVE

Insurance Updates:

Notify insurance providers to cancel policies or update your address.

Transport Arrangements:

Plan for moving pets and plants.

Pharmacy Details:

Update your address with your pharmacy.

Service Cancellations:

End or transfer delivery services like newspapers or water delivery.

Vehicle Maintenance:

Ensure your vehicles are serviced and ready for the move.

Secure Valuables:

Clear hiding places, remove spare keys, and secure valuable items.

ONE WEEK BEFORE THE MOVE

Final Lawn Care:

Mow the lawn one last time.

Dispose Hazardous Items:

Safely discard flammable or toxic materials and drain fluids from gas-powered tools.

Pack Essentials:

Create a "trip kit" with essentials for travel (e.g., papers, jewelry, and mementos).

Childcare Plans:

Arrange for a babysitter on moving day and upon arrival at your new home.

Clothing Prep:

Pack most of your clothes, leaving out only what you'll need until moving day.

Outstanding Bills:

Settle unpaid bills and update your address on receipts.

Fixtures and Replacements: Remove fixtures you're taking with you and replace necessary items.

ONE TO TWO DAYS BEFORE THE MOVE

Defrost and Empty Freezer:

Clear out the refrigerator and freezer, allowing time to defrost.

Finalize Payments:

Confirm payment arrangements with the moving company.

Leave Contact Info:

Provide a forwarding address and phone number for the buyers of your current home.

Vacancy Notifications:

Inform neighbors and local police if your old home will remain unoccupied.

MOVING DAY

Linens and Essentials:

Pack bed linens in an “open first” box for easy access.

Review with Movers:

Double-check all paperwork and instructions with the moving team.

Final Cleaning:

Confirm the cleaning service is scheduled and finalize their payment.

Final Walkthrough:

Do a last check of your old home to ensure nothing is left behind

Congratulations!
