PRICING YOUR HOME RIGHT

UNDERSTANDING THE MARKET & BUYER PSYCHOLOGY

Homes priced correctly sell faster and for more money. Overpricing leads to longer days on the market, while strategic pricing generates multiple offers and strong buyer interest.

LAS VEGAS MARKET TRENDS

- Inventory remains low, meaning demand is still strong for well-priced homes.
- Buyers are seeking move-in-ready homes with modern features & virtual tour options.
- Properly marketed homes are selling in record time when priced competitively.

YOUR HOME'S MAXIMUM EXPOSURE PLAN

OUR MULTI-PLATFORM MARKETING APPROACH

1

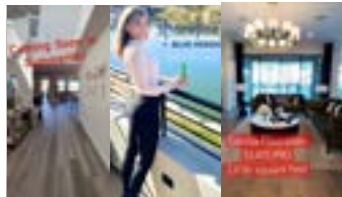

HIGH-IMPACT PROFESSIONAL MARKETING

Professional Photography & Videography – Every listing includes high-quality professional photos, drone photography (when applicable), and a full video tour to showcase your home at its best

YouTube Showcase Video – Your home will be featured on my highly active YouTube channel, reaching thousands of targeted buyers searching for homes in Las Vegas.

Social Media Reels & Engagement – Your property will be marketed through Instagram and Facebook Reels, LinkedIn, and YouTube Shorts, maximizing engagement and exposure.

2

ENHANCED ONLINE EXPOSURE

Homes.com Featured Listing + Matterport 3D Tour – As a member agent on Homes.com, your home will receive premium placement with a Matterport 3D Virtual Tour, allowing buyers to explore your property remotely.

Retargeting & Digital Ad Campaigns – If a buyer clicks on your listing, they will be followed online with strategic digital ads, keeping your home top-of-mind and increasing the likelihood of inquiries.

E-Blast to Targeted Buyers & Agents – Your home will be promoted through exclusive email campaigns to my extensive database of active buyers, relocation clients, and top real estate professionals.

3

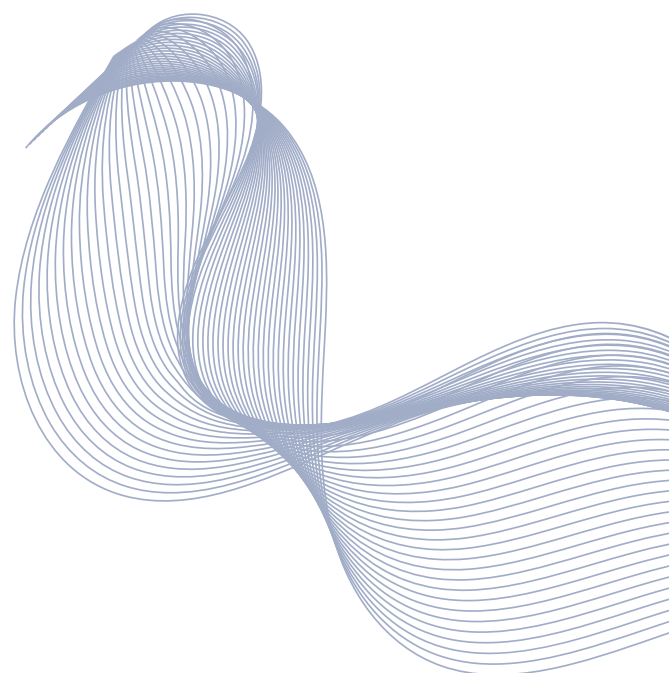

LUXURY PRESENTATION & TARGETED ADVERTISING

Paid Digital Ads & Targeted Listing Boosts – Facebook & Instagram ad campaigns designed to reach qualified buyers actively searching for homes like yours.

Lifestyle Blog Feature – Your home will be featured in a custom-written article on my website and Google Business page, adding a compelling storytelling element that connects with buyers emotionally.

SYNDICATED ONLINE LISTINGS

Your home's listing will be syndicated to hundreds of websites including the most-visited real estate sites around the world, such as zillow.com, realtor.com, homes.com and more.

Homes.com 3D home

Capturing a virtual tour of your home

- Listings on Homes.com which include a 3D Home virtual tour garner twice as many views as those without.
- One third of buyers use virtual tours to determine whether or not they will visit a home in-person.

HOW MY HOMES.COM MEMBERSHIP

(AND FULL-SERVICE MARKETING PLAN) GIVES YOUR HOME A MAJOR EDGE

If you've ever wondered what makes one listing stand out over another, the answer usually comes down to one word: exposure. And that's exactly what I deliver—thanks to my partnership with Homes.com and my own strategic marketing approach.

MASSIVE EXPOSURE FROM DAY ONE

Exposure and placement like no other

When I joined Homes.com, my profile received over 3,300 views, 73 profile clicks, and 13 direct leads in just 24 hours. And that momentum hasn't slowed down. Homes.com now sees 130 million unique visitors per month, giving my listings priority placement above others—and putting your home front and center when buyers are searching.

VIRTUAL SHOWINGS, 24/7

Matterport Matters!

Every listing comes with a professional Matterport 3D tour, so buyers can walk through your home from their phone or computer, any time of day. It's like hosting an open house around the clock—and it works.

MY SIGNATURE MARKETING STRATEGY

Matterport Matters!

And beyond Homes.com, I bring even more to the table:

- A professionally produced and boosted YouTube video
- Short-form content like Instagram Reels that highlight lifestyle, not just the home
- A dedicated blog post like this one
- Email campaigns, social media promotion, and local engagement

Every listing gets the full treatment—customized for the audience most likely to buy it.

NEIGHBORHOOD + SCHOOL PAGE VISIBILITY

Even more placement

Your home won't just show up in search results. Homes.com highlights listings on neighborhood and school pages, helping buyers connect the dots between your home and the lifestyle they want.

RETARGETING THAT BRINGS BUYERS BACK

The Power of Retargeting

This is one of the most powerful tools in digital marketing today. Once a potential buyer views your listing, Homes.com follows them across the internet—keeping your home top of mind. Ads for your property appear on:

- Facebook
- Instagram
- Google
- YouTube
- News, lifestyle, and shopping websites

Your home stays with them long after that first click—which means more opportunities to bring them back.

IF YOU'RE THINKING OF SELLING, LET'S TALK ABOUT HOW THIS COMBINED APPROACH—HOMES.COM'S NATIONAL REACH + MY TAILORED MARKETING—CAN WORK FOR YOU.

DRESS YOUR HOME FOR SUCCESS

PREPPING YOUR HOME FOR SALE

The home you sell is not the home you live in. I will conduct a staging interview with you to strategize how to attract the most traffic online and in person, and ultimately, achieve the highest price possible in the neighborhood and in the market.

CLEAN

Clean, sanitize and deodorize your home. If it won't come clean, paint, repair, or replace it.

DEPERSONALIZE

Neutralize your space. Don't limit your home's marketability to only those who share your same tastes. Depersonalize your home and neutralize the color palette.

LIGHTEN UP

Clean all windows and replace lightbulbs.

DECLUTTER

Declutter and organize. Pack up as much as possible in advance and store it neatly.

BE READY

While maximum notice ahead of a showing is appreciated, it is not always provided. While your home is on the market, make sure it is always ready for potential buyers to view.

LEAVE IT TO US

Buyers prefer to tour a home without the owners present. Make yourself scarce and leave the showing to us.

IT'S SHOWTIME

When your home is shown to a potential buyer, turn on all lights, open shades/drapes, play soft music, and place fresh flowers in key areas.

Jennifer is seriously the best! She knows the Las Vegas market well and is an expert in regards to new builds. We were in our new home less than a year when we got a surprise opportunity to live closer to home and she was able to get us top dollar when other agents told us it wasn't possible. We are forever grateful for Jennifer and her team! The market is tough right now but with Jennifer you are in good hands.

My hope is that Jennifer adds 'CEO of MIH' to her business card. She is truly the the CEO of Making It Happen!!! I would definitely classify my most recent purchase as 'non-standard' 🤔. Jennifer's knowledge of every part of the market and every part of all processes were critical and she made everything easy, understandable, and successful. There is no question that I will be working with Jennifer for more properties in the future. THANK YOU JENNIFER !!
