

Let's explore WEST END

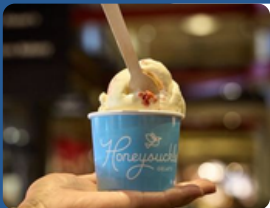

ABOUT THE AREA

West End, one of Atlanta's most historic and culturally significant neighborhoods, developed in the late 19th century as one of the city's first planned suburbs. It became a center of Black culture, education, and activism, shaped by Victorian architecture, tree-lined streets, and a deep legacy tied to the Civil Rights Movement. Today, West End stands as a vibrant, community-driven neighborhood blending historic preservation with ongoing revitalization and creative energy.

Location: Southwest Atlanta, just west of Downtown and south of the Atlanta University Center

Nearby: Atlanta University Center, Adair Park, Westview, Oakland City
