3115 Heidelberg Drive

What makes this Heidelberg Street home so remarkable? Access to award-winning schools, the 5-minute walk to Viele Lake, or the .8 mile hop to Shanahan Ridge trailhead? Maybe it's the 1.2 mile ride to Whole Foods.

From 3115 Heidelberg's noteworthy location, you'll mountain bike, hike, and climb, then return home to a perennial-filled, oversized lot with mature shade trees.

Step inside this meticulous home and see sunlight pouring through the open floor plan. With miles of thick granite prep space, foodies will relish the kitchen's performance appliances and ample cabinetry for culinary toys. Friends will linger over cocktails while you cook.

Sleep, work, exercise and/or study in the 5 bedrooms; with two family rooms, there is room for privacy and time together. And with this location, you can zip to Denver and be back in time to stargaze on your back patio. You've just found your home.
