

EXCITEMENT LIST

On the following page, you will have an opportunity to tell us, room by room, what makes your home special. Also, we have provided the following questions that will help us design the most powerful marketing campaign possible. We have provided additional sheets at the back of this if you need more room.

1. What are your favorite features of your home?
2. What are the best things about the location of your home?
3. What do you like about the neighborhood and/or surrounding area?
4. What was the main reason you originally bought this home?
