## What We Offer

**LESS STRESS & MORE MONEY IN YOUR POCKET**

### *In-Person Meeting*

*In person meeting at the rental property to discuss owner goals, the property and process of bringing a property into mgt. or transferring from another company.*

### *Tenant Screening*

*We screen all applicants. Our software conducts a background, credit, and rental history check. We verify all information as provided by the applicant.*

### *Property Inspections*

*We do move-in & move-out video walkthroughs, along w/ quarterly visual inspections of the property. (additional if requested).*

### *Professional Photos*

*Professional Photos & Floor Plan rendering to be taken upon accepting the property into mgt. This is at the company's expense.*

### *Virtual Concierge*

*We offer a concierge service consisting of house cleaning, carpet cleaning, lock re-key & repair/upgrade services. Vendor service is at owner's expense. 5% service charge for coordination of vendors and quality checks.*

### *In-House Maintenance*

*Our licensed Handyman performs regular maintenance along w/ repair work & optional upgrades. In-house maintenance is at the owner's expense of \$125/hourly and is not subject to the 5% service charge.*

### *Flexible Policies*

*Flexible policies for owners to include, but not limited to pet restrictions, property hold times, deposits, credit requirements, etc.*

### *Advanced Technology*

*Our software provides many modes of communication through texts and emails to keep owners and tenants informed. This is especially important when dealing with repairs and renewal timelines.*

### *Secure*

*We secure our properties with electronic sentrilock boxes. We secure our owner and tenant information through our secure management software.*
