1. RESERVATIONS:

In authenticating the subdivision map for record, and in dedicating the streets, drives and roads for use of the present and future owners of said lots and to the public, there shall be, and hereby are, reserved in Grantor, the following rights, title and easements, which reservations shall be considered a part of the land and construed as being adopted in each and every Contract, Deed or other conveyance executed or to be executed by or on behalf of Grantor in the conveyance of said property or any part thereof:

(a) The several streets, drives and roads as shown on said map or plat are hereby dedicated to the use of the public.

(b) Grantor reserves the necessary utility easements and rights-of-way as shown on the aforesaid map of "CIMARRON UNIT IV", recorded in the Map and Plat Records of Victoria County, Texas, to which map and the record thereof reference is here made for all purposes, which easements are reserved for the use and benefit of any public utility operating in Victoria County, Texas, as well as for the benefit of Grantor and the property owners in the subdivision to allow for the construction, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sewers, or any other utility or service which Grantor may find necessary for the proper service of lots in "CIMARRON UNIT IV".

(c) Grantor reserves the right to impose further restrictions and dedicate additional easements and roadway rights-of-way on any unsold sites in said subdivision, such restrictions to be imposed and such easements and rights-of-way to be dedicated, either by instrument, in writing, duly recorded in the office of the County Clerk of Victoria County, Texas, or incorporated in the Deed from Grantor conveying the site to be so restricted or subjected to such easements or rights-of-way.

(d) Neither Grantor nor any utility company using the above mentioned easements shall be liable for any damage done by either of them or their assigns, agents, employees, or servants to shrubbery, trees, flowers or other property of the owner, situated on the land covered by said easements.

(e) It shall be, and is, expressly agreed and understood that the title conveyed by Grantor to any lot or parcel of land in said "CIMARRON UNIT IV" by Contract, Deed, or other conveyance shall not, in any event, be held or construed to include the title to the water, gas, sewer, storm sewer, electric light, electric power, or telephone lines, poles or conduits, or any other utility or appurtenance thereto, constructed by Grantor or public utility company, through, along, or upon the herein dedicated public easements, premises, or any part thereof, to serve said property or any other portion of "CIMARRON UNIT IV", and the right to maintain, repair, sell or lease such lines, utilities and appurtenances to the City of Victoria, or to any public service corporation, or to any other party, is hereby reserved to Grantor.

2. APPROVAL OF PLANS:

No building shall be erected, placed, or altered on any building plot in this subdivision until the building, plans, specifications and plot plan, showing the location of such building, have been approved, in writing, as to conformity and harmony of external design with existing structures in the subdivision, and, as to location of the building, with respect to the topography and finished ground elevation, and, as to compliance with these restrictions and covenants, by an Architectural Control Committee, composed of Al Hogan, Jack E. Bright, and Nathan C. Loth. In the event of death or resignation

of any member of said Committee, the remaining members shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority, and the remaining member or members shall have the authority to name another person or persons to fill the vacancy on such Committee. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. This Committee shall also be authorized to approve deviations from these restrictions, when, in the opinion of the Committee, such deviation will not detract from the attractiveness and market value of any lot covered hereby.

3. USE OF LAND:

All of the lots in "CIMARRON UNIT IV" shall be used for single family, private residences exclusively. No store or business house, and no building of any kind whatsoever, shall be erected or maintained thereon, except private dwelling houses and such out-buildings as are customarily appurtenant to single dwelling houses, each house being detached and being designated for occupancy by a single family. No residence shall be used as a boarding house or as a rooming house. A residence shall be considered a boarding house or rooming house when more than one person is provided board or lodging therein for hire.

No residence of a temporary character shall be permitted on any lot, and no previously built structure shall be moved onto any lot in the subdivision for use as a residence, it being the intention of these covenants and restrictions to require all residential buildings located on any lot or property, above described and referred to, to be erected on such lot or property.

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out-building, shall be used on any lot at any time as a residence, either temporarily or permanently.

No trade, business or profession shall be carried on upon any lot or in any structure upon any of such property, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

4. LOT AREA AND FRONTAGE:

No dwelling shall be erected on any lot having an area less than the lot as shown on the recorded plat of said "CIMARRON UNIT IV".

5. SIZE OF DWELLING:

The minimum ground floor area of one-story main structures, exclusive of open porches and garages, shall be 1,200 square feet.

The minimum ground floor area on all one and one-half and two-story houses, exclusive of open porches and garages, shall be 1,000 square feet.

Each house erected on any lot covered hereby shall be required to have a minimum of a two-car garage or two-car carport.

6. MATERIALS OF CONSTRUCTION:

The outer portion of the walls of the principal residence building, including attached garages constructed on any lot in "CIMARRON UNIT IV" shall be composed of rock, brick or stone masonry, covering not less than 50 percent of the total outside wall area. All roofs shall be wood shingles.

Under no circumstances shall concrete blocks, hollow tile blocks, asbestos siding or metal siding, or any of them, be utilized as the outer portion of the walls of the residence or garage situated on any such lot.

7. DRIVEWAYS AND SIDEWALKS:

Each residence in "CIMARRON UNIT IV" shall have a concrete driveway leading from the street to the garage or carport, and such driveway shall be at least 10 feet wide and conform in all respects to the standards prescribed by the City of Victoria, Victoria County, Texas, for such entrances.

The owner of each lot upon which a swelling house is erected shall install a 4 foot wide concrete sidewalk between the curb and the front line of such lot, in accordance with the specifications and standards prescribed by the City of Victoria, Victoria County, Texas. If such lot be a corner lot, such sidewalk shall also be installed between the curb of the side street and the side line of said lot. Nothing shall be planted in the area between the sidewalk and the curb of the street except a low grass cover, and nothing shall be erected in this area, other than receptacles for receiving United States Mail, and they shall only be permitted until mail service is provided on a door-to-door basis.

8. BUILDING LOCATION:

No building shall be located on any lot nearer to the front line or nearer to the side street line than the minimum building set-back lines shown on the recorded plat. In any event, no building shall be located on any lot in "CIMARRON UNIT IV" nearer than 17 feet, nor farther than 30 feet, from the front lot line. No building shall be located nearer than five feet to an interior lot line or nearer than 10 feet to any side street line. For the purpose of this covenant, eaves, steps and open porches shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot to encroach upon another lot. If a building plot consists of more than one lot as shown on the recorded plat of "CIMARRON UNIT IV" then the ownership boundary line shall be considered the interior lot line as referred to herein.

Each lot in "CIMARRON UNIT IV" shall be deemed to front on the street, which said lot abuts, and, in the case of corner lots, shall be deemed to front on the street

designated by the Architectural Control Committee.

9. SIGNS:

No sign of any kind shall be displayed to the public view on any lot, except one sign of a size of not more than twelve square feet advertising the property during the construction and sales period.

10. LOT MAINTENANCE:

Each owner of a lot in "CIMARRON UNIT IV" binds and obligates himself, through the purchase of such lot, to maintain the lot (and any fence located thereon) in a neat and presentable manner, at his own cost and expense. Each owner obligates himself to keep the grass, vegetation and weeds on his lot cut as often as may be necessary to keep the lot in a neat and attractive condition. In the event any purchaser of a lot in "CIMARRON UNIT IV" should fail to maintain his lot (and any fence located thereon) in a neat and attractive manner, the Architectural Control Committee will notify such owner, in writing, of any objectionable or detrimental condition existing on such lot and request the owner to eliminate the same. In the event any owner fails to eliminate any objectionable or unattractive condition existing on his lot within seven (7) days after receipt of written notice specifying the objectionable conditions, then, the Architectural Control Committee is authorized to go on such lot for the purpose of eliminating such conditions and to charge the costs thereof to the lot owner, and such charge shall constitute a lien against such lot, it being expressly provided, however, that the lien securing such charge is, and shall be, subordinate and inferior to the lien or liens of any lender who hereafter lends money for the purchase of any lot in "CIMARRON UNIT IV", or for the construction of improvements, or the permanent financing of any improvement on any lot in "CIMARRON UNIT IV".

11. OIL AND MINING OPERATIONS:

No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. 12. MISCELLANEOUS PROVISIONS:

No tank for the storage of oil or other fluid may be maintained on any of the lots above the surface of the ground.

Livestock and Poultry: No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purpose;

Garbage and Refuse Disposal: No lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste shall not be kept except in sanitary containers.

No boat or trailer shall be parked in the driveway or yard in front of the front wall line of the respective house.

Easements for the installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded map and plat.

13. TERM:

These covenants are to run with the land and shall be binding on all parties and persons claiming under them for a period of twenty-five (25) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years, unless an instrument, signed by a majority of the then owners of the lots has been recorded agreeing to change said covenants in whole, or in part.

14. ENFORCEMENT:

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant, either to restrain violation, or to recover damages.

15. SEVERABILITY:

Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which, shall remain in full force and effect.

16. LIENHOLDERS:

Notwithstanding any of the restrictions, limitations, provisions and covenants herein contained, it is here and now specifically provided that violation of any of such restrictions, limitations, provisions, and covenants shall not in any way affect the rights of any future good faith lienholder having a valid lien on any part of said property, who is in no way responsible for such violations.

The said American Bank of Commerce, Victoria, Texas, does hereby declare that all indebtedness secured by the above described Deed of Trust lien shall be subordinate to the

above described limitations, restrictions, covenants and conditions so placed upon said land by the said "CIMARRON UNIT IV", and said restrictions, covenants, limitations and conditions shall take precedence over said Deed of Trust lien, the same as if it had been executed prior to the execution of the instrument by which said lien was granted; and, in the event said land or any part thereof, should be sold to satisfy the indebtedness secured by the above described Deed of Trust, such sale shall be subject to these restrictions.
