1. RESERVATIONS:

(a) In authenticating the subdivision map for record, and in dedicating the streets, drives and roads for the use of the present and future owners of said lots and to the public, there shall be and are hereby reserved in Grantor the following rights, title and easements, which reservations shall be considered a part of the land and construed as being adopted in each and every contract, deed or other conveyance executed or to be executed by or on behalf of Grantor in the conveyance of said property or any part thereof:

(b) The several streets, drives and roads as shown on said map or plat are hereby dedicated to the use of the public.

(c) Grantor reserves the necessary utility easements and rights-of-way as shown on the aforesaid map of "MISSION OAKS, SECTION I" recorded in the Map and Plat Records of Victoria County, Texas, to which map and the record thereof reference is here made for all purposes, which easements are reserved for the use and benefit of any public utility operating in Victoria County, Texas, as well as for the benefit of Grantor and the property owners in the subdivision to allow for the construction, maintenance and operation of a system or systems of electric light and power, telephone lines, gas, water, sewers, or any other utility or service which Grantor may find necessary for the proper service of lots in "MISSION OAKS, SECTION I".

(d) Grantor reserves the right to impose further restrictions and dedicate additional easements and roadway right-of-way on any unsold sites in said subdivision, such restrictions

(e) Neither Grantor nor any utility company using the above mentioned easements shall be liable for any damage done by either of them or their assigns, agents, employees or servants to shrubbery, trees, flowers or other property of the owner situated on the land covered by said easements.

(f) It shall be and is expressly agreed and understood that the title conveyed by Grantor to any lot or parcel of land in the said "MISSION OAKS, SECTION I" by contract, deed, or other conveyance shall not in any event be held or construed to include the title to the water, gas, sewer, storm sewer, electric light, electric power, or telephone lines, poles or conduits or any other utility or appurtenances thereto constructed by Grantor or public utilities companies through, along, or upon the herein dedicated public easements, premises, or any part thereof to serve said property or any other portion of "MISSION OAKS, SECTION I", and the right to maintain, repair, sell or lease such lines, utilities and appurtenances to the City of Victoria, or to any public service corporation, or to any other party, is hereby reserved to Grantor.

2. APPROVAL OF PLANS:

No building shall be erected, placed, or altered on any building plot in this subdivision until the building, plans, specifications and plot plan showing the location of such building, have been approved in writing as to conformity and harmony of

Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. This committee shall also be authorized to approve deviations from these restrictions, when, in the opinion of the committee, such deviation will not detract from the attractiveness and the market value of any lot covered hereby.
