

## Notice to Owners of Real Property in Calhoun County

### Tax Year 2026

The boundaries of the Calhoun County Groundwater District are co-extensive with the boundaries of Calhoun County, Texas. All real property located in the County of Calhoun, Texas is in the territory of the Calhoun County Groundwater Conservation District.

The District was formed to protect, conserve, and prevent waste of the groundwater resources within Calhoun County. The District is organized under Chapter 8860 of the Special District Local Law Code and Chapter 36 of the Texas Water Code. Additional information regarding the District may be accessed from the website of the District at [www.calhouncountygcd.org](http://www.calhouncountygcd.org).

Although the District is exempt under Section 49.002(b) from the provisions of Chapter 49, Water Code, the following information is provided in the interest of transparency and for the benefit of the citizens of the District.

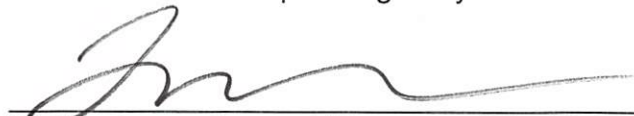

The District was confirmed by the voters of Calhoun County and authorized to impose ad valorem taxes on property in the District.

The Board of Directors of the District adopts a tax rate for the maintenance and operation of the District between August and September of each year, by order.

The District has no debt. The District has not issued bonds.

On September 14, 2026, the Board of Directors adopted a tax rate of \$0.0071 per \$100 evaluation for the 2026 tax year.

The Calhoun County Appraisal District calculates and collects the taxes levied by the District for a particular tax year based on the tax rate specified on the tax rate order for the corresponding tax year.
